Updated April 24, 2024

It is your responsibility to ensure that your application to intervene in a hearing has been received. The information you provide will be considered a public record. Applications to intervene will only be considered if the information will assist the Board in making its decision and will not duplicate the information provided by the parties. The information requested is necessary to allow the Environmental Appeals Board to perform its function. The information is collected under the authority of the *Freedom of Information and Protection of Privacy Act*, section 33(c). Section 33(c) provides that personal information may only be collected if that information relates directly to and is necessary for the processing of an appeal. Please contact the Board at 780-427-6207 or eab@gov.ab.ca for more information.
